THE SILENT MOTHER

*"It's the kind of book that becomes a lifeline — passed from hand to hand with reverence."
— Lisa Messenger*

About the Book

The Silent Mother is a beautifully written, emotionally resonant book created to give voice to the often-unspoken experience of pregnancy loss. Through tender storytelling, reflection, and remembrance, it offers comfort, validation, and connection to women navigating miscarriage, grief, and invisible motherhood. This is a meaningful gift book for personal purchase, professional support spaces, and curated retail environments.

Why it belongs in your space
